Paul Gleba
Owner/Operator

I'd like to personally thank you for requesting information about **PG Productions!**

Since 1992 I have provided a wide variety of entertainment services at hundreds of events throughout Central New York.

Every event is a little different and requires special attention based on the customers' diverse entertainment needs.

One thing is the same at each and every event; people want to have a good time!

My goal is to provide my customers with affordable quality entertainment services so that their event is one they will remember for many years to come. 🎵

Disc Jockey Service

Your favorite songs of yesterday & today!

Weddings, Birthdays, Reunions, Dances

Your special event will be professionally presented to your specifications.

My music library contains thousands of songs in a variety of styles – Alternative, Big Band, Classical, Country, Disco, Hip-Hop, Jazz, Movie Soundtracks, Pop, Rock, R&B & MORE!

In addition to using a dual CD player my entire music library is available on a laptop that makes finding songs fast and easy.

Using parts of songs and recording software, I can create a customized introduction that are very dramatic and get everyone's attention!

My Top 100 Requested Songs are only a very small sample of the many different songs available at your event. I use a broadband internet connection to access my music on Rhapsody for even more songs!

If a song list can be provided in advance, I will do my best to accommodate your requests.

I encourage my clients to have at least one meeting with me to discuss the event plans.

This meeting helps me determine the types of music you want and if any attention to detail is required to make your event truly memorable.

Call or visit the website below for more information regarding the many different services **PG Productions** has to offer. 🎵
